On behalf of the officers and members of the Libertytown Volunteer Fire Dept., we hope you and your family have a happy and safe holiday season. We would like to thank the community for the great support over the last year. Please visit lvfd17.org for news and upcoming events of the Libertytown Volunteer Fire Department.

This year we purchased a new ambulance to enhance our emergency medical services to our community. The 2019 Ford Horton is equipped with 4-wheel drive to enable us to better serve you during winter weather. The ambulance also has advanced safety features such as camera views on all four sides, patient compartment air bag system, and advanced safety patient cot mounting system.

We would like to thank our generous community who continue to donate to our fire department. Thanks to everyone who continues to patronize our fundraisers such as the Inaugural Frederick County Craft Beverage Festival, our annual carnival, sportsmen's drawing, annual golf tournaments and annual door-to-door fund drive. All of these events raise funds to help keep our fire department, YOUR fire department in the highest level of operational readiness to provide the emergency services to the citizens we serve.

In addition, we continue to need your financial support to help pay for over \$2,000,000 in building renovations and a recent \$100,000 upgrade of our rescue engine.
